Accessible Bus Services

Our fleet of modern low floor air-conditioned city buses are used extensively on our regular services. Please contact our office before making your travel plans to ensure that one of our step-less entry buses is operating on the route you wish to use.

Train Times & Late Trains

Train times shown in this timetable are effective as at 4 September 2005 and are subject to change. Please consult latest CityRail timetables for up to date details.

On Monday to Fridays after 4pm buses will wait a reasonable time for late arriving trains. This may cause some buses to run late when operating to and from a railway station.

Hail & Ride

All services operating outside the central business district operate as Hail & Ride. Simply stand on the side of the road where it is safe for the bus to stop and hail the bus driver as the bus approaches. Many suburban areas have designated bus stops which should be used where available.
